

## Why Choose P.D. Overseas ?

An extensive experience in the Food and Agro industry has helped us to emerge into one of the finest brands across the Globe.

The production of our premium range of products has been doubling consistently every year. The demand is at its peak only for the given reason that we have zero tolerance towards compromising in its quality.

With a huge production facility backed up by technological experts coming with decades of experience in the industry, "FANAA" & "QUINAAT", are the brands that remains in the hearts of every Basmati Rice lover overseas.

### VISION AND MISSION

What makes P.D. Overseas special ?

The flavours of FANAA & QUINAAT should reach countries that are missing out on one of the finest products available in the food industry.

### OUR MISSION

Safeguarding the trust of our customers and continually providing them with the finest quality of products. Keeping in mind the health quotient, the most essential ingredient for any Food product. We believe in this continuous process that can only be achieved through an interesting fusion of technology that we have developed. Merging the good old, advises from our Forefathers, who were the fittest on earth, and blending it with modern science.

### OUR VISION

To be the top Rice exporter representing India on the international map.

### ESSENTIAL QUALITY POLICIES

P.D. Overseas believes the way to progress is a testing venture in obscurity where just hindrances offer light to the way. As we had seen right around three decades back, the answer for progress is consumer loyalty. We just need fearlessness to comprehend our clients, and a want to give them the best.
